Q & A**

**Best Feature-length Documentary at the International
Documentary Association Awards Ceremony and nominated for
an Emmy 2009**

**MANY WHO DON'T DIE - WISH THEY DID
3 MILLION WOMEN - 3 CONTINENTS - 44 COUNTRIES**

**Follows five women in Ethiopia who suffer from devastating
childbirth injuries, **obstetric fistula**. Shunned by their
communities, these women live in loneliness and shame. Their
Lives are transformed when they journey to the Fistula Hospital
in Addis Ababa, Ethiopia. The film is a portrait of grief, courage,
compassion and triumph."**
